Mr. Charles D. Neibel
221 Witherspoon Hall
Princeton, New Jersey

Dear Mr. Neibel:

We cannot understand why, in spite of our numerous calls and wires, we have not as yet received the signed and notarized affidavits from Princeton. Immediate cooperation is essential for efficient relationships with the sponsors, and they have asked repeatedly for the college affidavits, none of which could be returned because of Princeton's tardiness. Please return them at once and may we expect prompt response in the future in this regard.

Sincerely yours,

Jean A. Gruen
